

How are you?

I am fine

We are happy

I like you

I love you

I am happy

I am sad

I am surprised

I am scared

I am angry

I am worried

I am frustrated

How are you?

I am disappointed

I am excited

I am calm

I am tired

I am shy

I made myself too tired

I am lazy

I am lonesome

I am sleepy

I have a cold

I am sick
